**Repeal of Rules**
In accordance with the Rules Modification and Improvement Program (RMIP) of 2010, the NC Commission for Public Health and the Division of Public Health believe that these rules meet the criteria of EO 70 because the Commission has identified them as being unnecessary.

The following rules are proposed for repeal as follows:

10A NCAC 40A .0104, .0105, .0206-.0208, .0306-.0310, .0403, .0404 - SCHOOL WATER FLUORIDATION

**Background**
The School Water Fluoridation Program no longer exists as an operational or funded program within the Division of Public Health.

**Fiscal Impact**
There is no estimated impact to local or state agencies, nor to private businesses. The proposed repeal of these rules will not require any additional staff or staff cost to the NC DPH or to local entities (public health departments).
10A NCAC 40A .0104 – 0.105, .0206 -.0208, .0306 - .0310, .0403 - .0404 are proposed for repeal as follows:
