/1 Military health care includes: CHAMPUS (Comprehensive Health and Medical Plan for Uniformed Services)/ Tricare and CHAMPVA (Civilian Health and Medical Programs of the Department of Veterans Affairs), as well as care provided by the Veterans Administration and the military.

Note: Any number less than 75,000 represents such a small sample of the population that it cannot be considered a reliable estimate.

Data for 1999 were controlled to 2000 census totals in special tabulations supplied by the US Bureau of the Census. Uncontrolled totals and percents were:

1999	7,510	6,355	5,335	4,732	--	1,829	659	1,073	313	1,154
1999	100	84.6	71.0	63.0	--	24.4	8.8	14.3	4.2	15.4

Data for years other than 1999 processed from US Bureau of the Census national files by the North Carolina State Data Center, Office of State Budget and Management.
