RE: Changes in Motor Fleet Mileage Rates Effective May 1, 2010

On April 30, 2010, the Department of Administration and Office of State Budget and Management issued a statewide memorandum governing the mileage usage rate for state motor fleet vehicles. Consistent with this directive, effective May 1, 2010, mileage reimbursement rates will be decreased by three cents per mile. Departments and agencies should also apply the 30 cents per mile rate for employees who elect to use personal vehicles when a state-owned vehicle is available.

If you have any specific questions regarding the new mileage rates, please contact your budget analyst at (919) 807-4700.

Thank you.
