**Primary Government****Supplemental Retirement Income Plan of North Carolina and North Carolina Public Employee Deferred Compensation Plan**

General Statute 135-96 established the Supplemental Retirement Board of Trustees (Board) to administer both the Supplemental Retirement Income Plan of North Carolina and the North Carolina Public Employee Deferred Compensation Plan. The Plan document for each Plan designates that the general administration and responsibility for carrying out the provisions of the Plan, as directed by the Board, shall be placed with the Retirement Systems Division of the Department of State Treasurer as Primary Administrator. The Board and Primary Administrator have entered into an agreement with Prudential Financial, Inc. to perform recordkeeping, administration and investment management services for both Plans.

The Plans contract Galliard Capital Management, Inc. (Galliard), a subsidiary of Wells Fargo Bank N.A., to act as a fiduciary investment advisor for the North Carolina Stable Value Fund. Galliard has the discretion over the benefit responsive contracts and the underlying investment managers, subject to approval by the Board and the Department of State Treasurer. Galliard also has the authority to invest in securities subject to guidelines agreed upon by the Board. As an advisor, Galliard is primarily responsible for ensuring that negotiated investment contracts are adhered to by the insurance companies, bank or other eligible providers who have entered into such contracts. Not less than quarterly, Galliard reports the financial condition of the investment contracts and whether the contracts are being administered according to their respective terms. The fees for wrap coverage, investment management and advisory services are deducted from participants' account balances.

Prudential Retirement, a specialized unit of the Prudential Financial Investment Division, provides administrative services related to the North Carolina Stable Value Fund and the Pooled Account. Prudential Retirement is also the provider of record keeping and participant services. The fees to Prudential are deducted from the participants' account balances. One of the funds within the North Carolina Fixed Income Fund is a commingled vehicle offered by Prudential Trust Company and managed by Prudential Investment Management, Inc. Jennison Associates, a registered investment advisory division within Prudential Global Investment Management, manages a portion of the North Carolina Stable Value Fund. Affiliates of Prudential Retirement also are a wrap provider (Prudential Insurance Company of America) and an investment manager (PGIM, Inc.) for the North Carolina Stable Value Fund.

The Bank of New York Mellon Corporation serves as the custodian for the Plans and provides global custody services related to the Pooled Account. These fees are deducted from the participants' account balances. Bank of New York Mellon also provides a short term cash vehicle for the temporary investment of funds until they are invested on a longer term basis.

**Component Units****University of North Carolina System and Community College Foundations**

The University of North Carolina (UNC) System and community colleges have separately incorporated not-for-profit foundations that are associated with constituent institutions of the UNC System or individual colleges. These organizations serve as a fundraising arm of the respective institutions through which individuals, corporations, and other organizations support institution programs by providing scholarships, fellowships, faculty salary supplements, and unrestricted funds to specific departments and the institution's overall academic environment. These affiliated organizations are not included as component units since the economic resources received or held by an individual organization are not significant to the primary government. Therefore, the financial statements of the UNC System and community colleges do not include the assets, liabilities, net position, or operational transactions of these foundations, except for support from each organization to constituent institutions or colleges. For the fiscal year ended June 30, 2017, this support totaled \$102.16 million for the UNC System and \$3.05 million for community colleges.
