(1) Census estimates based on 2010 census (July 1) for years 2011 - 2019; and year 2020 is an Office of the State Controller estimate.

(2) U.S. Department of Commerce Bureau of Economic Analysis used for years 2011 - 2019. Since the 2020 per capita income estimate was not available, the Office of State Controller used the U.S. Per Capita Income growth rate of the previous year to project the 2020 U.S. Per Capita Income, and the previous year N.C. as a Percentage of U.S. was used to project the 2020 Per Capita Income for North Carolina. U.S. and N.C. Personal Income was not available, so year 2020 is calculated from sources 3 and 4.
