

Translate your military skills into a successful IT career

IT Awareness Day

Explore the diverse roles IT offers – from tech support to network engineer, from project manager to software developer – and get tips from veterans working in IT

This event will include:

- Guest speakers from the top IT fields
- An opportunity to receive Resume Review and Interview Preparation from leading IT Employers in small group discussions
- Discussion on how to prepare now for a career in the IT field

BRING YOUR RESUME!
