

## RIGHT OF WAY UNIT SUPERVISOR I

### DESCRIPTION OF WORK:

This is supervisory and administrative work in the acquisition of highway rights of way. Employees are responsible at the state level for planning, directing and coordinating the activities of the Relocation and Property Management, or Administrative Unit. Work is guided by federal and state laws and policies and procedures of the Division of Highways and Right of Way Branch; and is performed independently under administrative supervision of the Assistant Manager and Manager of Right of Way. Work is reviewed through periodic conferences and reports.

### EXAMPLES OF DUTIES PERFORMED:

Coordinates the rental and sale of surplus land or buildings acquired in the right of way process. Directs the program providing relocation assistance to persons and businesses displaced by certain projects. Supervises the checking of agreements, deeds, and leases; the processing of personnel payroll transactions and other administrative expenses; and the maintenance of records and maps pertaining to right of way acquisition. Assigns projects and personnel to meet project schedules. Prepares budget for unit; develops new procedures as needed; and advises personnel on routine legal problems concerning right of way. Performs related duties as required.

### RECRUITMENT STANDARDS:

#### Knowledge, Skills, and Abilities

Thorough knowledge of policies and procedures of Division, Branch and Federal Highway Administration pertaining to right of way acquisition, removal of conflicts, and federal participation in right of way costs.

Thorough knowledge of state laws pertaining to real estate conveyances, easements, contracts, and eminent domain.

Skill in understanding highway plans, construction methods, and making accurate estimates of right of way costs.

Ability to plan, direct, and coordinate a unit responsible for a major phase of highway right of way acquisition; to supervise and coordinate the work of others; and to establish and maintain effective working relationships with other employees and the general public.

#### Minimum Education and Experience

Graduation from a four-year college or university and eight years of experience in right of way work, including three years in a related supervisory capacity; or an equivalent combination of training and experience.

#### Special Note:

This is a generalized representation of positions in this class and is not intended to identify essential functions per ADA. Examples of work are primarily essential functions of the majority of positions in this class, but may not be applicable to all positions.

All degrees must be received from appropriately accredited institutions.
