

HIGHWAY PATROL TROOPER (MASTER)

DESCRIPTION OF WORK

This is work in the enforcement of motor vehicle laws on the public streets and highways in the State. Employees patrol roads within an assigned district to detect vehicle moving violations and take enforcement action. Duties include special enforcement assignments and field training of basic school graduates. Work also includes temporary assignments in a declared state of emergency. Work is performed under the general supervision of a line sergeant guided by established highway patrol policies and procedures, and is reviewed through daily activity reports and conferences with supervisors.

EXAMPLES OF DUTIES PERFORMED

Serves as the lead worker/field trainer for rookie troopers during initial on-the-job training cycle. Performs work assignments in districts of high enforcement activity and participates in selective enforcement programs.

Patrols an assigned route maintaining surveillance for moving violations and responding to radio summons for enforcement assignments, accidents, and motorists assistance.

Operates various types of equipment for checking vehicle speed.

Apprehends vehicle operators detected in violation of the motor vehicle laws and issues warnings for unsafe driving activity.

Investigates highway accidents; writes reports of findings and draws diagrams of the accident scene and forwards report to the troop headquarters.

Testifies in court as a witness in traffic violations and criminal cases.

Aids motorists who are having mechanical problems or who need routing directions.

Directs traffic at large public events and provides escort for funeral processions, military convoys, and parades.

Assists other law enforcement agencies in maintaining order during strikes and riots, apprehending escaped convicts and maintaining surveillance for stolen vehicles.

Performs related duties as required.
