

LAKE WACCAMAW STATE PARK

Driving Directions

Some GPS systems are not providing accurate directions to our park. If your GPS directs you to drive through the Green Swamp, then there is a possibility that you will get stuck in the mud!

If your GPS directions instruct you to turn onto a dirt road —STOP! Do not continue.

The best directions will keep you on paved roads.

from WILMINGTON

- From the Cape Fear Historic Byway, take U.S. 76 West (Wooster Street).
- Continue on U.S. 74 West/U.S. 76 West toward Lumberton/Whiteville for 34 miles.
- When you reach Waccamaw, turn left onto Fire Tower Road/Old Lake Road (State Road 1740).
- After half a mile, turn left onto Sam Potts Highway (N.C. 214).
- After about 1 mile, turn right onto Jefferson Road. This road will turn into Bartram Lane after 1.1 miles.
- Turn left onto Bella Coola Road and travel 2.6 miles.
- Turn left onto State Park Drive to arrive at the park.

from WHITEVILLE

- Take U.S. 76 East/U.S. 74 East toward Wilmington for about 12 miles.
- When you reach Waccamaw, turn right onto Fire Tower Road/Old Lake Road (State Road 1740).
- After half a mile, turn left onto Sam Potts Highway (N.C. 214).
- After about 1 mile, turn right onto Jefferson Road. This road will turn into Bartram Lane after 1.1 miles.
- Turn left onto Bella Coola Road and travel 2.6 miles.
- Turn left onto State Park Drive to arrive at the park.
