Brief description of what you'll be shooting/scope of activity: _____

I would like to meet with the specified park's superintendent at his/her earliest convenience to discuss my upcoming project and apply for a permit. I understand a Special Activity fee must be given to the park Superintendent at the time of walk-through should my application be accepted and a permit number will be given to me. A performance bond may also be required, at the discretion of the Division, to ensure protection of natural resources.
