

March 10 2017 Member Alert

Dear State Health Plan Member:

Beginning this month, the State Health Plan will offer outreach meetings statewide on “Navigating Your State Health Plan Benefits and Medicare.” These **free sessions** are designed for active employees who will soon be 65, are already 65 or older, and retirees who will turn 65 within the next two years.

As you become Medicare-eligible there are several things to consider and information to digest regarding your benefits. At these events, we will help navigate you through important Medicare and State Health Plan benefit information.

The outreach meetings will run from March through July. Can’t make it to one of our onsite meetings? No problem! You can attend one of **seven webinars** on the same topic from April through August.

Find onsite events near you or online webinars!
