Annual Notice of Changes for the 2019 Plan Year

You are currently enrolled as a member of UnitedHealthcare® Group Medicare Advantage (PPO).

Next plan year, there will be some changes to the plan's costs and benefits.
This booklet tells about the changes.

Members enrolled in our plan through the Illinois Department of Central Management Services (plan sponsor) can make plan changes at times designated by the Illinois Department of Central Management Services.

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next plan year.
 - Do the changes affect the services you use?
 - Look in Section 1 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
 - Will your drugs be covered?
 - Are your drugs in a different tier, with different cost sharing?
 - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
 - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
 - Review the 2019 Drug List and look in Section 1.6 for information about changes to our drug coverage.
- Check to see if your doctors and other providers will be in our network next plan year.
 - Are your doctors in our network?
 - What about the hospitals or other providers you use?
 - Look in Section 1.3 for information about our Provider Directory.
 - Because you are a member of the UnitedHealthcare® Group Medicare Advantage (PPO) plan, you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded from Medicare.

- Think about your overall health care costs.
 - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
- Think about whether you are happy with our plan.

2. CHOOSE: Decide whether you want to change your plan

- If you want to keep UnitedHealthcare® Group Medicare Advantage (PPO), you don't need to do anything. You will stay in UnitedHealthcare® Group Medicare Advantage (PPO).
- Members enrolled in our plan through a plan sponsor can make plan changes at times designated by your plan sponsor.
- You should consult with your plan sponsor regarding the availability of other coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's open enrollment period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

Section 1: Changes to Benefits and Costs for Next Plan Year

SECTION 1.1 Changes to the Monthly Premium

Your plan sponsor will notify you of any changes to your plan premium amount, if applicable

SECTION 1.2 There Are No Changes to Your Maximum Out-of-Pocket Amounts

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the plan year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the plan year.

SECTION 1.3 Changes to the Provider Network

Because you are a member of the UnitedHealthcare Group Medicare Advantage (PPO) plan, **you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded from Medicare.**

There are changes to our network of providers for the next plan year. An updated Provider Directory is located on our website at www.UHCRetiree.com/ncshp. You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory.

It is important that you know that we may make changes to our network of hospitals, doctors, and specialists (providers) that are part of your plan during the plan year. There are a number of reasons why your network provider might leave your plan. If this happens, you may continue to see the provider as long as he/she continues to participate in Medicare and the care you receive is a covered service and is medically necessary. Even though our network of providers may change during the plan year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists. When possible we will provide you with at least 30 days’ notice that your network provider is leaving our plan. You may call Customer Service at the number listed in Chapter 2 of this booklet if you have questions.

SECTION 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next plan year. An updated Pharmacy Directory is located on our website at www.UHCRetiree.com/ncshp. You may also call Customer Service for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2019 Pharmacy Directory to see which pharmacies are in our network.**

SECTION 1.5 Changes to Benefits and Costs for Medical Services

We are changing our coverage for certain medical services next plan year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, **Medical Benefits Chart (what is covered and what you pay)**, in your **2019 Evidence of Coverage**.

SECTION 1.6 Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a “Drug List” (Formulary). A copy of our Drug List is in this booklet. The Drug List we included in this booklet includes many — **but not all** — of the drugs that we will cover next plan year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Customer Service (1-866-747-1014) or visiting our website (www.UHCRetiree.com/ncshp).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next plan year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
 - To learn what you must do to ask for an exception, see Chapter 9 of your **Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))** or call Customer Service.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. For 2019, members in long term care (LTC) facilities will now receive a temporary supply that is the same amount of temporary day’s supply provided in all other cases: (a 1-month’s supply) of medication rather than the amount provided in 2018 (a 98-day supply of medication). (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the **Evidence of Coverage**.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

If you have obtained approval for a formulary exception this plan year, please refer to the approved through date provided on your approval letter to determine when your approval expires. After the date of expiration on your approval letter, you will need to obtain a new approval in order for the plan to continue to cover the drug, if the drug still requires an exception and you and your doctor feel it is needed. To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage or call Customer Service.

Starting in 2019, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. This means if you are taking the brand name drug that is being replaced by the new generic (or the tier or restriction on the brand name drug changes), you will no longer always get notice of the change 60 days before we make it or get a 60-day refill of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Also, starting in 2019, before we make other changes during the year to our Drug List that require us to provide you with advance notice if you are taking a drug, we will provide you with notice 30, rather than 60, days before we make the change. Or we will give you a 1-month supply, rather than a 60-day, refill of your brand name drug at a network pharmacy.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the **Evidence of Coverage**.)

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and haven’t received this insert, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 6.1 of this booklet.

There are three “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your Evidence of Coverage for more information about the stages.)

The information below shows the changes for next year to the first stage — the Initial Coverage Stage. (Most members do not reach the other two stages — the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the enclosed Evidence of Coverage.)

Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, Types of out-of-pocket costs you may pay for covered drugs in your Evidence of Coverage.

Stage	2018 (this plan year)	2019 (next plan year)
<p>Stage 1: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>We changed the tier for some of the drugs on our Drug List. Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage. For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

Section 2: Deciding Which Plan to Choose

SECTION 2.1 If You Want to Stay in UnitedHealthcare® Group Medicare Advantage (PPO)

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member for the 2019 plan year.

SECTION 2.2 If You Want to Change Plans

You should consult with your plan sponsor regarding the availability of other employer-sponsored coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's Annual Enrollment Period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage. Please contact the Eligibility & Enrollment Support Center at 1-855-859-0966, TTY 711, 8 a.m. – 5 p.m. ET, each state business day with any questions.

To learn more about Original Medicare and the different types of Medicare plans, read Medicare & You 2019, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Section 3: Deadline for Changing Plans

Because you are enrolled in our plan through your plan sponsor, you are only allowed to make plan changes at times designated by your plan sponsor.

Important Note: You may join or leave a plan only at certain times designated by your plan sponsor. If you choose to enroll in a Medicare health plan or Medicare prescription drug plan that is not offered by your plan sponsor, you may lose the option to enroll in a plan offered by your plan sponsor in the future. You could also lose coverage for other employer-sponsored retirement benefits you may currently have through your plan sponsor. Once enrolled in our plan, if you choose to end your membership outside of your plan sponsor's Annual Enrollment Period, re-enrollment in any plan your plan sponsor offers may not be permitted, or you may have to wait until their next Annual Enrollment Period.

You should consult with your plan sponsor regarding the availability of other employer sponsored coverage before you enroll in a plan not offered by your plan sponsor, or before ending your membership in our plan outside of your plan sponsor's Annual Enrollment Period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting a request to enroll in a plan not offered by your plan sponsor, or a request to end your membership in our plan.

Section 4: Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state.

State Health Insurance Assistance Program is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can find your SHIP number and address in **Exhibit A** of the **Evidence of Coverage**.

Section 5: Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don't even know it. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
 - Your State Medicaid Office (applications).
- **Help from your state's pharmaceutical assistance program.** State Pharmaceutical Assistance Program helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in **Exhibit E** of the **Evidence of Coverage**).

- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP in your State. You can find your State's ADAP contact information in **Exhibit D** of the **Evidence of Coverage**.
