5. Click the **Find a Doctor or Facility** button.

The screenshot shows the top navigation bar of the BlueCross BlueShield of North Carolina website. It includes the logo, links for 'Find Doctor / Drug / Facility', 'Shop Plans', and 'Member Login', and a search bar. Below the navigation is a large blue banner with the text 'FIND A DOCTOR, DRUG OR FACILITY' and icons for a doctor, a pill, and a pharmacy. A red arrow points to the 'Find a Doctor or Facility' button in the main content area. Other buttons include 'Find a Drug or Pharmacy' and 'Choose a different plan'. A notification banner at the top mentions COVID-19 information.

6. From there, you can **Browse by Category** or by **Names, Facilities, and Specialty**. Note that your current location will auto populate, but you can change it to the city/ZIP code of your choice.

The screenshot shows the search interface on the BlueCross BlueShield of North Carolina website. It features a yellow 'IMPORTANT NOTE' banner at the top, followed by a COVID-19 notification. Below that, the current location is set to 'North Carolina State Health Plan Network' and 'Durham, NC - 27705'. A red box highlights the search options: 'Browse by Category' (with a dropdown arrow) and 'Names, Facilities, and Specialty' (with a search icon).

7. Search results may be further filtered using the options displayed below.

Find a CPP Provider Using the CPP Provider Map Tool

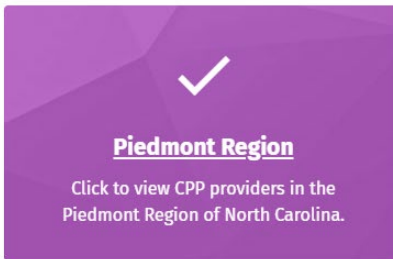

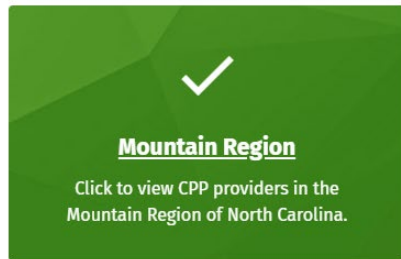

1. Visit www.shpnc.org. Click the **Find A Doctor** link at the top of the home page.

2. Scroll down and click the **Clear Pricing Project Update** box. Once that page opens, you will see a green box: **Clear Pricing Project Provider Search Tool**.

- When the CPP Provider Lookup Tool page opens. Scroll down to click on the box of the region (Mountain, Piedmont, or Coastal Plains) in which you wish to search for providers. These are large lists and may take a few seconds to load. Please be patient.

- A large list of providers for the selected region will appear in a table. You may narrow the search results by typing in the search box. The table will automatically filter your results. You may also change how many entries show up on the page (10, 25, 50, 100 or all table entries).
