N. C. DHHS Confirmation Reports:

SFY 2020 audit confirmation reports for payments made to Counties, Local Management Entities (LMEs), Managed Care Organizations (MCOs), Boards of Education, Councils of Government, District Health Departments and DHSR Grant Subrecipients will be available by mid- October at the following web address:

<https://www.ncdhhs.gov/about/administrative-offices/office-controller/audit-confirmation-reports>.

At this site, click on the link entitled “Audit Confirmation Reports (State Fiscal Year 2019-2020)”. Additionally, audit confirmation reports for Nongovernmental entities receiving financial assistance from DHHS are found at the same website except select “[Non-Governmental Audit Confirmation Reports \(State Fiscal Years 2018-2020\)](#)”.

Brief Description of Program

The North Carolina Immunization Program (NCIP) promotes a core public health function in North Carolina by preventing the spread of vaccine preventable diseases. The NCIP, in partnership with the CDC’s National Center for Immunization and Respiratory Diseases (NCIRD), seeks to achieve the Healthy People 2020 Objectives to **reduce, eliminate, or maintain elimination of cases of vaccine-preventable diseases**. Vaccines available

IMMUNIZATION PROGRAM / AID TO COUNTY FUNDING

through the NCIP are those recommended by the Advisory Committee on Immunization Practices (ACIP). These vaccines protect babies, young children, and adolescents from 16 diseases.

Local health departments will support the North Carolina Immunization Program (NCIP) in reaching that goal by working together to accomplish the following objectives as supported by Healthy People-2020:

1. To increase the age-appropriate immunization levels of two-year old children to 90% or more; and
2. To increase the percentage of children aged <6 years of age to 95% whose immunization record are represented in the North Carolina Immunization Registry (NCIR).
