

PART 4 – AGENCY PROGRAM REQUIREMENTS

INTRODUCTION

For each federal program (except R&D and SFA) included in this Supplement, Part 4 provides I, “Program Objectives” and II, “Program Procedures.” Part 4 also provides information about compliance requirements specific to a program in III, “Compliance Requirements.” Finally, Part 4 provides IV, “Other Information,” when there is other useful information pertaining to the program that does not fit in sections I–III. For example, when a program allows funds to be transferred to another program, section IV provides guidance on how those funds are to be treated on the Schedule of Expenditures of Federal Awards and in Type A program determinations.

When any of five types of compliance requirements (A, “Activities Allowed or Unallowed;” E, “Eligibility;” G, “Matching, Level of Effort, Earmarking;” L, “Reporting;” and N, “Special Tests and Provisions”) is subject to audit and applicable to a program included in the Supplement, Part 4 always provides additional information specific to the program. The other seven types of compliance requirements, when subject to audit, generally are not specific to a program and, therefore, usually are not listed in Part 4. However, when one of these other seven types of compliance requirements has information specific to a program, that information is provided with the program in Part 4. When a requirement is marked as “Not Applicable” it means that either there are no compliance requirements specific for the program, or the auditor is not required to test compliance.

In developing the audit procedures to test compliance with the requirements for a federal program, the auditor must first look to the Compliance Requirements section of the program/cluster (summarized for all programs/clusters in Part 2 of the Supplement) to identify which of the 12 types of compliance requirements described in Part 3 have been identified as subject to audit, and then determine which of those requirements is likely to have a direct and material effect on the federal program at the auditee.

For each such compliance requirement, the auditor must use Part 3 (which includes generic details about each compliance requirement other than Special Tests and Provisions, including audit objectives, and suggested audit procedures) and the program supplement in Part 4 (which includes any program-specific requirements) to perform the audit. For N, “Special Tests and Provisions,” Part 3 includes only audit objectives and suggested audit procedures for internal control; all other information is included in Part 4.

The descriptions of the compliance requirements in Parts 3 and 4 generally are a summary of the actual compliance requirements. The auditor must review the referenced citations (e.g., laws and regulations) for the complete compliance requirements.

For 2021, only guidance to the compliance requirement areas that are designated as “Y” in the Matrix are included in part III, Compliance Requirements of the program. If the auditor is to review compliance requirement areas that are designated as “N,” the auditor must refer to the Part 3 for additional information.

DEPARTMENT OF JUSTICE

ASSISTANCE LISTING 16.034 CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING

I. PROGRAM OBJECTIVES

The Coronavirus Emergency Supplemental Funding (CESF) program provides funding to assist eligible states, units of local government, and federally recognized tribal governments in preventing, preparing for, and responding to the coronavirus. Allowable projects and purchases include, but are not limited to, overtime, equipment (including law enforcement and medical personal protective equipment), hiring, supplies (such as gloves, masks, sanitizer), training, travel expenses (particularly related to the distribution of resources to the most impacted areas), and addressing the medical needs of inmates in state, local, and tribal prisons, jails, and detention centers.

II. PROGRAM PROCEDURES

States, US territories, the District of Columbia, units of local government, and federally recognized tribal governments that were identified as eligible for funding under the fiscal year (FY) 2019 state and local Edward Byrne Memorial Justice Assistance Grant (JAG) program are eligible to apply under [the Coronavirus Emergency Supplemental Funding \(CESF\) program solicitation](#).

Note: Only the state administering agency (SAA) that applied for FY 2019 JAG funding for a state/territory may apply for the state allocation of CESF funding.

In general, CESF allocations were calculated by proportionally increasing the allocations available under the FY 2019 JAG program to align with the CESF appropriation amount. The JAG-specific provision requiring “disparate jurisdictions” to choose a single fiscal agent to apply on behalf of each of the disparate jurisdictions does not apply to the CESF program. Instead, each “disparate” unit of local government under FY 2019 JAG (including those that were identified as “zero-county dispartes”) will be eligible for a direct award under CESF. In order to ensure that zero-county dispartes receive funding under CESF, the portion of funds for units of local government that were eligible to receive less than \$10,000 under FY 2019 JAG (an amount that is added to state awards under JAG) was divided equally among the zero-county dispartes.

Source of Governing Requirements

The CESF program is authorized by Division B of HR 748, Pub. L. No. 116-136 (Emergency Appropriations for Coronavirus Health Response and Agency Operations), 28 USC 530C.

Availability of Other Program Information

Program guidance including program statutes and other general information about the program is posted to the Bureau of Justice Assistance (BJA) web page (<https://www.bja.gov>). In addition, the [BJA FY 2020 Coronavirus Emergency Supplemental Funding Program Frequently Asked Questions](#) (FAQs) [document](#) provides guidance on allowable costs and other topics. The DOJ

Financial Guide, which contains information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records, is available on the Office of Justice Programs (OJP) web site at <http://ojp.gov/financialguide/DOJ/index.htm>.

III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for this federal program, the auditor must determine, from the following summary (also included in Part 2, “Matrix of Compliance Requirements”), which of the 12 types of compliance requirements have been identified as subject to the audit (noted with a “Y” in the summary matrix below), and then determine which of the compliance requirements that are subject to the audit are likely to have a direct and material effect on the federal program at the auditee. For each such compliance requirement subject to the audit, the auditor must use Part 3 (which includes generic details about each compliance requirement other than Special Tests and Provisions) and this program supplement (which includes any program-specific requirements) to perform the audit. **When a compliance requirement is shown in the summary below as “N,” it has been identified as not being subject to the audit. Auditors are not expected to test requirements that have been noted with an “N.”** See the Safe Harbor Status discussion in Part 1 for additional information.

A. Activities Allowed or Unallowed

1. *Activities Allowed*

Funds awarded under the CESF program must be utilized to prevent, prepare for, or respond to the coronavirus. Allowable projects and purchases include, but are not limited to, overtime, equipment (including law enforcement and medical personal protective equipment), hiring, supplies (such as gloves, masks, and sanitizer), training, travel expenses (particularly related to the distribution of resources to the most impacted areas), and addressing the medical needs of inmates in state, local, and tribal prisons, jails, and detention centers.

See the CESF solicitation as well as the BJA [FAQs](#) for more detailed information about activities allowed.

2. *Activities Unallowed*

There are no specific prohibitions under the CESF program other than the unallowable costs that are identified in the DOJ Grants Financial Guide. However, individual items costing \$500,000 or more and Unmanned Aerial Systems (UAS), Unmanned Aircraft (UA), and/or Unmanned Aerial Vehicles (UAV) require prior approval. In addition, funds may not be used for direct administrative costs that exceed 10 percent of the total award amount and funds may not be used to supplant state or local funds but must be used to increase the amounts of such funds that would, in the absence of federal funds, be made available.

F. Equipment and Real Property Management

Recipients must follow the Property Standards section of the [DOJ Grants Financial Guide](#), section 3.7.

J. Program Income

Per the Eligible states (or SAAs) or units of local government may draw down funds either in advance or on a reimbursable basis. To draw down in advance, funds must be placed in an interest-bearing account, unless one of the exceptions BJA-2020-18553 4 in 2 CFR section 200.305(b)(8) apply. This interest-bearing account must allow for sufficient tracking and traceability of CESF program award funds (see e.g., 2 CFR 200.302). It is not necessary that the interest-bearing account be a “trust fund.”

Special Condition #40 of each award states, “Establishment of interest-bearing account. If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish an interest-bearing account dedicated specifically to this award. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts unless regulatory exclusions apply (2 CFR 200.305(b)(8)). The award funds, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Coronavirus Emergency Supplemental Funding (CESF) program. The recipient also agrees to obligate the award funds in the account (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.”

DEPARTMENT OF JUSTICE**ASSISTANCE LISTING 16.710 PUBLIC SAFETY PARTNERSHIP AND COMMUNITY POLICING GRANTS****I. PROGRAM OBJECTIVES**

The Community Oriented Policing Services (COPS) grant programs provide state, local, and tribal law enforcement agencies, as well as other public, private, and nonprofit entities, with resources to address law enforcement needs with a focus on advancing public safety through the implementation of community policing strategies. These strategies are focused on three primary elements of community policing: (1) developing community/law enforcement partnerships; (2) developing problem solving and innovative approaches to crime issues; and (3) implementing organizational transformation to build and strengthen community policing infrastructure.

II. PROGRAM PROCEDURES**A. Overview**

COPS Office awards are made to law enforcement agencies, large and small, across the country as well as other public, private, and nonprofit entities. The overall intent of the grant programs is to help support and develop infrastructure and practices that will advance public safety through community policing.

COPS Office awards provide funds for personnel, technology, equipment, training and technical assistance, and innovative community policing strategies. The two main categories of awards are hiring and non-hiring.

B. Subprograms/Program Elements**1. *Hiring Awards***

There are two types of hiring awards actively managed within the COPS Office:

COPS Hiring Program (CHP) awards, which provide funding directly to state, local, and tribal law enforcement agencies to hire new and/or rehire full-time career law enforcement officers to increase their community policing capacity and crime prevention efforts.

Tribal Resources Grant Program – Hiring (TRGP-Hiring) awards, which provide funds to tribal law enforcement agencies for newly hired or rehired full-time sworn career law enforcement officers and village public safety officers to improve crime-fighting capabilities in Indian country.

2. *Non-Hiring Grants*

There are nine types of non-hiring awards actively managed within the COPS Office:

Anti-Heroin Task Force Program (AHTF), which provides funds to locate and investigate illicit activities through statewide collaboration related to the distribution of heroin, fentanyl, or carfentanil, or the unlawful distribution of prescription opioids.

COPS Anti-Gang Initiative (CAGI), which provides funds to law enforcement agencies with a multi-jurisdictional partnership comprising federal, state, and tribal, local law enforcement agencies to address gang activity, enforcement, prevention/education, and intervention.

COPS Anti-Methamphetamine Program (CAMP), which provides funds to locate and investigate illicit activities related to the manufacture and distribution of methamphetamine.

Tribal Resources Grant Program-Equipment/Training (TRGP-E/T), which provides funds to tribal law enforcement agencies for equipment, training, and officer hiring to improve crime-fighting capabilities in Indian country.

Community Policing Development (CPD) program awards are used to develop the capacity of law enforcement to implement community policing strategies by providing guidance on promising practices through the development and testing of innovative strategies; building knowledge about effective practices and outcomes; and supporting new, creative approaches to preventing crime and promoting safe communities.

Collaborative Reform Initiative for Technical Assistance (CRI-TA), which provides funding to advance the practice of community policing in law enforcement agencies by providing technical assistance to state, local, territorial, and tribal law enforcement agencies on a variety of topics that are tailored to meet their unique needs. This program provides practical “by the field, for the field” technical assistance from leading experts across a range of public safety, crime reduction, and community policing topics.

Law Enforcement Technology Grants (Tech), which provides funds for projects to develop and implement technologies that will advance community policing and help fight crime.

Methamphetamine Initiative (Meth), which provides funds to assist local law enforcement agencies and task forces with developing and implementing responses to problems of crime and disorder related to methamphetamine usage.

Preparing for Active Shooter Situations (PASS) training program, a competitive award program designed to increase law enforcement and public safety by providing funds to advance the practice of community policing in law enforcement agencies through nationally recognized, scenario-based training that prepares officers and other first responders to handle active shooter and other violent threats safely and effectively.

COPS Office STOP School Violence: School Violence Prevention Program (SVPP) provides funding directly to states, units of local government, Indian tribes, and public agencies to improve security at schools and on school grounds in the jurisdiction of the grantee through evidence-based school safety programs.

Law Enforcement Mental Health and Wellness Act (LEMHWA) helps law enforcement agencies establish or enhance mental health care services for their officers and deputies. The program initiates pilot programs that support peer mentoring, annual mental health checks, crisis hotlines, and the delivery of other critical mental health and wellness services. It also supports the development of resources for the mental health providers who deliver tailored, specific services to law enforcement based on the unique challenges they face.

Source of Governing Requirements

All programs (except for one) are authorized under the Omnibus Crime Control and Safe Streets Act of 1968 as amended by the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Pub. L. No. 103-322, 34 USC 10381 et seq. COPS Office School Violence Prevention Program (SVPP) is authorized under the Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 USC 10551 et seq.).

Availability of Other Program Information

The DOJ-COPS home page, [COPS OFFICE \(usdoj.gov\)](https://usdoj.gov), under the selection titled “Grants” provides information on regulations and other general information about each program.

Additional information about each program is found in the applicable Award Owner’s Manuals developed by the COPS Office. Grant recipients can access the Award Owner’s Manuals and Grant Monitoring Standards and Guidelines for Hiring and Redeployment on the COPS Office home under the Grants tab by clicking Program Documents and Compliance and Reporting.

III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for this federal program, the auditor must determine, from the following summary (also included in Part 2, “Matrix of Compliance Requirements”), which of the 12 types of compliance requirements have been identified as subject to the audit (noted with a “Y” in the summary matrix below), and then determine which of the compliance requirements that are subject to the audit are likely to have a direct and material effect on the federal program at the auditee. For each such compliance requirement subject to the audit, the auditor must use Part 3 (which includes generic details about each compliance requirement other than Special Tests and Provisions) and this program supplement (which includes any program-specific requirements) to perform the audit. When a compliance requirement is shown in the summary below as “N,” it has been identified as not being subject to the audit. Auditors are not expected to test requirements that have been noted with an “N.” See the Safe Harbor Status discussion in Part 1 for additional information.

A. Activities Allowed or Unallowed

1. *Hiring*

Hiring grants (CHP and TRGP–Hiring) may include programs, projects, and other activities to:

- a. Hire and train new, additional career law enforcement officers for deployment into community-oriented policing (34 USC 10381(b)(2));
- b. Rehire law enforcement officers who have been laid off or who are scheduled to be laid off on a specific future date as a result of state, local, and/or tribal budget reductions for financial reasons unrelated to the availability of COPS grant funds for deployment into community-oriented policing (34 USC 10381(b)(1)); and
- c. For fiscal year (FY) 2012 CHP awards only, all newly hired officers must be post-September 11, 2001, military veterans (see page 12, Section 2, “Agency Eligibility Information” of the COPS FY 2012 Application Guide: COPS Hiring Program, which is available at <https://cops.usdoj.gov/programdocuments>).

Since FY 2015 CHP awards, the COPS Office has awarded additional consideration for CHP funding to applicants who commit to hiring or rehiring at least one military veteran (as defined in Appendix A).

2. *Non-Hiring Awards*

Non-hiring grants may include programs, projects, and other activities to obtain a wide variety of equipment, technology, civilian personnel, training, and technical, and technical assistance. These grants include programs and projects that are very specific in terms of allowable and unallowable activities. The individual grant must be evaluated to determine allowable activities, in accordance with program guidelines in the Awards Owner’s Manual 34 USC 10381(b) and (d)).

B. Allowable Costs/Cost Principles

All costs are subject to the requirements in 2 CFR 200 Subpart E – Cost Principles, and approved costs are limited to those included in the financial clearance memo in the award package for each award.

The following apply to hiring grants only.

1. CHP and TRGP-hiring awards fund the approved entry-level salaries and fringe benefits of newly hired or rehired full-time officers, for either 36 or 60 months, depending on the program and the fiscal year. The approved entry-level salaries and fringe benefits are based on a grantee agency's actual entry-level sworn officer salary and fringe benefit costs and are identified in the award package that is provided to the grantee agency. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the recipient agency (34 USC 10381(b) and applicable Application Guide).
2. For FY 2012 to FY 2020, CHP recipients, costs are limited to the approved entry-level salaries and fringe benefits of each newly hired and/or rehired full-time officer, with a maximum federal share of \$125,000 per officer position (unless a local match waiver is approved by the COPS Office), over the three-year (36 month) grant period.

G. Matching, Level of Effort, Earmarking**1. Matching**

- a. There is no match requirement for CHP (FY 2010 and FY 2011 only), AHTF, CAGI, CAMP, CSPP, Meth, SSI, CPD, CRI-TA, PASS, LEMHWA, TRGP-Hiring, TRGP-E/T, and Tribal Meth.
- b. SVPP recipients must contribute a minimum of 25 percent of the allowable project costs (34 USC 10551(f)(1)). The COPS Office director may waive/alter the 25 percent required match in the case of a recipient with a demonstrated financial need (34 USC 10551(f)(3)).
- c. FY 2012 to FY 2020, CHP recipients must contribute a minimum of 25 percent of the allowable project costs (applicable Application Guide), unless a local match waiver is approved by the COPS Office (34 USC 10381(g)).

Those recipients will have additional special condition(s) in their grant agreement that the auditor will need to cover during the audit.

Auditors should be alert for additional requirements that may be included in the award package relevant to the requirements above noted as subject to audit, such as a restriction on the use of award funds to supplant existing personnel positions or the requirement to retain grant-funded positions for one year after the award period expires.

DEPARTMENT OF JUSTICE

ASSISTANCE LISTING 16.738 EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT PROGRAM

I. PROGRAM OBJECTIVES

The Edward Byrne Memorial Justice Assistance Grant (JAG) program, authorized under Title I of Pub. L. No. 90-351 (generally codified at 34 USC 10151–10726), including Subpart 1 of Part E (codified at 34 USC 10151–10158), is the leading source of federal justice funding to state and local jurisdictions. The JAG program provides states, tribes, and local governments with critical funding necessary to support personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for **criminal justice** program areas, including law enforcement, prosecution, indigent defense, courts, crime prevention and education, corrections and community corrections, drug treatment and enforcement, planning, evaluation, technology improvement, and crime victim and witness initiatives and mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams. It should be noted that the JAG statute defines “criminal justice” as “activities pertaining to crime prevention, control, or reduction, or the enforcement of the criminal law, including, but not limited to, police efforts to prevent, control, or reduce crime or to apprehend criminals, including juveniles, activities of courts having criminal jurisdiction, and related agencies (including but not limited to prosecutorial and defender services, juvenile delinquency agencies and pretrial service or release agencies), activities of corrections, probation, or parole authorities and related agencies assisting in the rehabilitation, supervision, and care of criminal offenders, and programs relating to the prevention, control, or reduction of narcotic addiction and juvenile delinquency.”

II. PROGRAM PROCEDURES

JAG grants are awarded to states, including the District of Columbia, the Commonwealth of Puerto Rico, the Northern Mariana Islands, the Virgin Islands, Guam, and American Samoa as well as eligible units of local government which, pursuant to statutory definition, includes tribes that perform law enforcement functions.

The JAG funding formula includes a state allocation consisting of a minimum base allocation with the remaining amount determined on population and violent crime statistics. States also have a variable percentage of the allocation that is required to be “passed-through” to units of local government. This amount, calculated by the Bureau of Justice Statistics (BJS), Department of Justice (DOJ), is based on each state’s crime expenditures. In addition, the formula calculates direct allocations for local governments within each state, based on their share of the total violent crime reported within the state. Local governments that are entitled to an award of at least \$10,000 may apply directly to the Bureau of Justice Assistance (BJA) for local JAG funds. The BJS Technical Report, which contains more information on the award calculation process, is available on BJA’s JAG web page at <https://www.bja.gov/Jag/pdfs/JAG-Technical-Report.pdf>.

All JAG program guidance states and units of local governments, including pass-through requirements, restrictions on funding usage, required certifications, and application checklists,

can be found within the state and local program solicitations (application guidance), which are updated annually and posted to BJA’s JAG web page at <https://www.bja.gov/Jag/>. The DOJ Financial Guide, which contains information on allowable costs, methods of payment, procurement, audit requirements, accounting systems, and financial records, is available on the Office of Justice programs (OJP) web site at <http://ojp.gov/financialguide/DOJ/index.htm>.

For each such compliance requirement subject to the audit, the auditor must use Part 3 (which includes generic details about each compliance requirement other than Special Tests and Provisions) and this program supplement (which includes any program-specific requirements) to perform the audit. When a compliance requirement is shown in the summary below as “N,” it has been identified as not being subject to the audit. Auditors are not expected to test requirements that have been noted with an “N.” See the Safe Harbor Status discussion in Part 1 for additional information.

DEPARTMENT OF JUSTICE

ASSISTANCE LISTING 16.922 EQUITABLE SHARING PROGRAM

I. PROGRAM OBJECTIVES

State, local, and tribal law enforcement agencies can request federally forfeited funds through the Equitable Sharing Program (Program) based on their qualitative and quantitative contributions to a federal forfeiture. The Program is managed by the Money Laundering and Asset Recovery Section (MLARS), a section within the Department of Justice's Criminal Division. Equitably shared funds must be used by law enforcement agencies for law enforcement purposes only. The Department of the Treasury also manages its own Program under Assistance Listing 21.016. Funds from each Program must be maintained and managed separately.

The Program is authorized by the following statutes: 21 USC section 881(e)(1)(A); 18 USC section 981(e)(2); 19 USC section 1616a; 31 USC sections 9705(b)(4)(A) and (b)(4)(B); and 21 USC section 881(e)(3).

Program policies and procedures are set forth in the *Guide to Equitable Sharing for State, Local, and Tribal Law Enforcement Agencies (Guide)* (July 2018) as well as *Equitable Sharing Wires (Wires)*. *Wires* may be issued to address policy changes or Program updates without updating the *Guide*. These updates become policy and applicable Program requirements should be tested as part of the audit process. The *Guide* and *Wires* are available on the Department of Justice public website at <https://www.justice.gov/criminal-mlars/equitable-sharing-program>.

II. PROGRAM PROCEDURES

Equitable sharing funds are considered federal financial assistance as defined 2 Code of Federal Regulations (CFR) Section 200.40. Equitable sharing payments are classified as "Direct Payments for Specified Use" in the *Catalog of Federal Domestic Assistance* (2019).

As such, the funds are only subject to certain sections of the CFR, including Title 2, Subtitle A, Chapter II, Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The applicable sections to the Program include Subpart A – Acronyms and Definitions; Subpart B – General Provisions (excluding sections 200.111–200.113); Subpart D – Post Federal Award Requirements (sections 200.303 – Internal Controls and 200.331–333 – Subrecipient Monitoring); and Subpart F – Audit Requirements.

III. COMPLIANCE REQUIREMENTS

In developing the audit procedures to test compliance with the requirements for this federal program, the auditor must determine, from the following summary (also included in Part 2, "Matrix of Compliance Requirements"), which of the 12 types of compliance requirements have been identified as subject to the audit (noted with a "Y" in the summary matrix below), and then determine which of the compliance requirements that are subject to the audit are likely to have a direct and material effect on the federal program at the auditee. For each such compliance requirement subject to the audit, the auditor must use Part 3 (which includes generic details about each compliance requirement other than

Special Tests and Provisions) and this program supplement (which includes any program-specific requirements) to perform the audit. When a compliance requirement is shown in the summary below as “N,” it has been identified as not being subject to the audit. Auditors are not expected to test requirements that have been noted with an “N.” See the Safe Harbor Status discussion in Part 1 for additional information.
